

On behalf of all the Board and Team at Active Disability Ireland we send our heartfelt sympathies to the family of Micheál O’Muircheartaigh who passed away today. Micheál contributed hugely to the work of our organisation and was passionate in the promotion of our message of inclusion.

We would also like to extend a special message of sympathy to his daughter Doireann who worked with Active Disability Ireland (formerly CARA) for over 7 years and played a massive part in the development and growth of our programmes and work.
